

Bluecoat Beechdale
Academy
Belong, Believe, Achieve

Wednesday 4th July 2018

Dear Parents/Carers,

Equipment in the Academy

Instances where students are arriving to lessons without adequate equipment are becoming more frequent and therefore, we would like to take the opportunity to remind you of the daily equipment required for use in the academy. All equipment is required every day until the last day of term.

All students should carry a pencil case containing:

Two black pens
An HB pencil
An eraser
A pencil sharpener
A ruler

All students should also bring a **reading book** every day.

All of this equipment should be carried in a school bag along with their exercise books for the day. The school bag should ideally be a rucksack, large enough to carry several A4 exercise books. Handbag style school bags are not suitable for school.

From September, students in **Years 9, 10 and 11** will be required to also bring a scientific calculator to the academy. The recommended model is a Casio FX-85 which is available at most supermarkets for a reasonable price.

Supermarkets usually have 'Back to School' special offers on during the summer holidays, where school equipment, including the recommended calculators, is sold at a discounted price.

From September, students who continue to arrive at their lessons without all the correct equipment will be directed to their Year Leader to purchase their items for the day. Students who come without a reading book will be directed to the library. In both instances, students will receive a negative point and catch up the work missed from their lessons for half an hour that day after school.

Thank you for your continued support. If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mrs M Warden
Vice Principal
